Dear Parents,

Country Club Hills School District 160 uses the Emergency Closing Center as one platform to communicate emergency situations to families. An emergency may include a school closing for weather or other situations. Radio and television stations are able to report major information efficiently and quickly.

You may check the status of your child's school in the following ways:

- 1) Go to the public website at <http://www.emergencyclosingcenter.com/complete.html> and search for the facility by typing the name and city or by the main phone number of the facility.
- 2) Receive an e-mail notification of a change made to your facility by signing up on the website at www.emergencyclosings.com.
- 3) Listen to WGN Radio 720-AM, WBBM Radio 780-AM or watch CBS Ch. 2, NBC Ch.5, ABC Ch.7, FOX 32, WGM-TV Ch.9 or CLTV cable for closing information.

Information will be posted on the District's website www.cch160.org, and text messages and/or Robo Calls are sent out to families.

We look forward to "Springing" ahead, but want to make sure we're safe throughout the winter season.

Educationally yours,

Earline Scott, Ed.D.
Interim Superintendent of Schools
